### Team member response

“We can definitely help you with Forecasting.

That’s included with our CFO package, and currently you’re signed up for our Mid-Tier package.

I’ll have [owner/sales] reach out to you with pricing.”

“You’ve heard an S Corp election is a good idea?

Well we would want to do our due diligence and make sure that it truly is the best thing for your specific situation.

Let me check with [owner/sales] on pricing and get back to you.”

“You’d like help with how to structure compensation for your team?

No problem!

You are signed up for our Basic Tier which doesn’t include payroll & compensation support, but let me have [owner/sales] send you pricing for our Mid Tier package which includes that service.”
